Our Vision

NEAFCS is the professional organization for Extension Family and Consumer Sciences that

- Builds leaders for the future.
- Recognizes and promotes excellence and scholarship in Extension Family and Consumer Sciences programming.
- Provides innovative professional growth and development opportunities.
- Serves as a nation-wide resource for education, information, networking and partnerships.
- Promotes Extension Family and Consumer Sciences and the mission and goals of the Land Grant University Extension System.

NCEAFCS Objectives

To Promote professional growth and development by:

1. Providing for and recognizing leadership and achievement.
2. Exchanging effective educational methodologies.
3. Awarding financial support for professional study and development.
4. Providing the formulation of policies to meet goals of the organization.
5. Encourage members to conduct and present research, and use research-based information in programming.

Thank You!

I'm grateful that our paths crossed!

To the NCEAFCS Board, Colleagues, Administrators, and Friends,

As I reflect on our journey I am so proud to have served this association as your President. I asked you to roll up your sleeves and take off running. I challenged you to grow as a leader, energize your committees to raise the bar and to become more committed. Because of your efforts, today is a day of jubilation and celebration.

Together we have made many strides to strengthen our association:

- Officer rotation system is now in line with the National Association. All officers (except President, President-Elect, VP for Public Affairs and Counselor) will serve a two year appointment.
- All incoming association officers received training prior to the annual session.
- Created and adopted a Healthy Food Policy/Proclamation. FCS Agents and association members received copies.
- Assessing the need and interest in offering leadership training opportunities.
- Board members are making presentations at professional conferences and other internal trainings and meetings.
- Engaged in partnership building.
- Proposed adoption of ground rules for conducting effective meetings.

This is really an exciting time for our NCEAFCS Association. We have laid a solid foundation for moving ahead with a fresh focus. I challenge you to work in partnership to create a brighter future.

Peace, Love, and Blessings Always,

Christine W. Smith

2013 NCEAFCS President

Creed

As an Extension educator my
prime concern is people.

I believe it is my responsibility to
give the best of my ability
and develop myself to be an
effective educator.

I accept the opportunity to empower
individuals, families, and
communities to meet their needs and goals
through a learning partnership.

May I always be willing to accept the
challenges of the changing times.
